Dear Parent/Guardian:

Before you submit your son/daughter's application for membership forms, please take a moment to read the following. This will help ensure that it has been completed correctly.

- Have you completed the Application for Membership in Air Cadets (CF 1158)? Have both you and the prospective cadet signed it?
- Have you completed the Collection Use and Disclosure of Personal Information (DND 2353)? Have you and the prospective cadet both signed it?
- Have you completed the Central Region Enhanced Code of Conduct? Have both you and the prospective cadet signed it? .
- Have you submitted a photocopy of the prospective cadets' birth certificate and health card? Proof of Citizenship or Landed Immigrant Status is required for cadets born outside of Canada.

In some cases, a Detailed Medical Questionnaire (DND 2571) may be required to be filled out to supplement information provided in the health questionnaire section of the CF-1158 Application to Join. If so, a copy will be sent home by the squadron to be completed and returned.

The Department of National Defence and the Air Cadet League of Canada insurance regulations expressly forbid us from allowing any cadet who has not completed and returned the enclosed forms to participate in any squadron activities. In order to avoid any last minute disappointment for your son/daughter/ward, please ensure all enrollment forms are properly completed and returned to the Administration Officer as quickly as possible.
